SOUTHERN ARIZONA STOCKMEN
WAITING ON RAINY SEASON
Douglas, Aria, Feb. 16.—While it
will be necessary for practically every
cattleman in southern Arizons to restock his ranges this year, because of
the large shipments of 1913. W. H.
Neel of the Four Bar outfit does not
believe that the movement will get
well underway before the close of the
rainy season. The cattlemen feel that
the situation will be fraught with too
much uncertainty until after they had
a chance to see the rainfall result.
Foor rainfall was the chief cause for
practically stripping the ranges inst
fall. The present outlook for the year
is excellent. Warm days are causing
the weeds to sprout, although cold
nights are holding them back somewhat.

with the Panhandle Stockmen's association. It received a communication
from the Panhandle association, urging the amalgamation. Since the New
Mexico association has a membership
of 50, compared with the Texas association's 1500, the advantages of a

will meet in Oklahoma City March %,

Chicken Pot Pie The Chef's Favorite

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Some folks think that only "colored mammies" can cook chicken, but a trial of this famous chicken pot pie disproves that assertion. Every member of the family will thoroughly enjoy it.

Cover the fowl with boiling water and let simmer until tender, then remove to a baking dish. Mix the X cup flour, salt and black pepper with cold water to a smooth paste and use to thicken the broth. Remove the fat from the top of the broth if necessary before adding the thickening. Pour this gravy over the fowl, until it is nearly covered, and reserve the rest to serve apart. Sift together the flour, baking powder and salt, three times; into this work the shortening and use cream or milk to make a dough, less stiff than for bisenits. Put this by spoonfuls over the fowl in the dish, which it should rest upon and completely cover. Let bake about 35 minutes.
